**EVIDENCE OF DEPOSIT OF ITEM(S)
WITH APPLICATION INDICATED AS OMITTED
IN THE "NOTICE OF OMITTED ITEMS"**

In connection with the "Notice of Omitted Items" dated April 2, 2002, applicant submits the following evidence that the item(s) indicated as omitted were in fact deposited with the P.T.O. on October 26, 2001, which is the original date on which the papers for this application were deposited:

[X] a photocopy of the return post card showing thereon that the items indicated as omitted were in fact deposited.

According to MPEP § 503, "[a] postcard receipt which itemizes and properly identifies the papers which are being filed serves as prima facie evidence of receipt in the PTO of all items listed thereon on the date stamped thereon by the PTO." As an example of a properly itemized postcard, §503 lists "the number of pages in the specification" and the "number of sheets of drawings". The enclosed photocopy of the return postcard shows receipt of 14 sheets of specification (which would include pages 3 and 7) and 5 sheets of drawings (which would include figures 4 and 5). No items on the return postcard were crossed off. Therefore, Applicant respectfully requests that the application be accepted as complete.

CONFIRMATION NO. 3347

FORMALITIES LETTER

Date Mailed: 04/02/2002

NOTICE OF OMITTED ITEM(S) IN A NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

A filing date has been accorded to the above-identified nonprovisional application papers; however, the following item(s) appear to have been omitted from the application:

- Page(s) **3 and 7** of the specification (description and claims).
- Figure(s) **4 and 5** described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

f1. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h)) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (*i.e.*, the original disclosure of the invention) will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the

application.

*A copy of this notice **MUST** be returned with the reply.*
